TOWN OF SMITHTOWN

Dear Residents,

Smithtown is home to a wealth of pristine beaches, parks and facilities, where our recreation programs are offered every year. From cultural and historic sites to family beaches & parks, the town of Smithtown is pleased to afford our residents access to some of Long Island's most stunning natural resources to pursue favorite leisure pastimes, regardless of age or interest.

Smithtown's appeal as a prominent town to live and raise a family continues to grow stronger with every year. With this distinction in mind, it is our pleasure in writing this letter, encouraging all residents to take advantage of our impressive line-up of recreation programming and events.

Online registration is available through the Smithtown Recreation Department for all programs, to provide residents with the ease of access and convenience, ensuring your choice of the many programs available.

Spend the day at Hoyt Farm Park in Commack, where you can catch one or all of the Summer Concert Series. Soak in the sun at one of our premiere family beaches in Fort Salonga and Saint James. Take advantage of our network of 20 neighborhood playgrounds and over 38 athletic fields for youth and adult recreation or experience our diverse cultural and historic sites.

This year we are pleased to reveal renovations at two of our water spray parks at Charles P. Toner Park in Nesconset and Veteran's Memorial Park in St. James. Young children can also enjoy our water spray park at Hoyt Farm Park in Commack. We have also finalized Playground & facilities renovations at Gibbs Pond, Gaynor and Moriches Parks. All of which are ready for a season of fun, family and relaxation.

Suggestions and comments regarding programming are welcome via the Smithtown Recreation Department at the Paul J. Fitzpatrick Municipal Golf Course and Pool Complex at 495 Landing Avenue, by phone at 631-360-7644 or email at Recreation@tosgov.com.
